**Reasons for Allowance**

COMES NOW the Patent Office and indicates at least a reason for allowance of this Application to wit: that the method and apparatus claims do not have a combination of steps or elements of an apparatus which include a tapered shell having a bore which mates with an adapter thereby expanding the inside diameter of the adapter and means for retaining lubricant on the interface between the tapered shell wherein the cable adapter and cable member mate upon removal of the tapered shell.

Additionally the reasons advanced for patentability by Applicants in their paper filed on or about 13 February 2004 are incorporated herein and made a part hereof are further advanced as reasons for patentability.

Furthermore the Patent Office Saith not.

Any inquiry concerning this communication should be directed to C. J. Arbes at telephone number (703)308-1857.
